

**Questions and Answers  
received as a part of Youth Request For Proposals**

**Q1.** Page 14 refers to Program Goals on Page 48 (with no page 48).

**A1.** It should refer to page 46.

**Q2.** What amount of funding will be awarded in total?

**A2.** Allocation for Youth Programs has not been received, and may not be known for several weeks. I expect that the allocation for funding programs will be a minimum of 10 percent less than the previous year, and total of all programs funded will be in the range listed on page 17.

**Q3.** When can I get templates of the documents to submit (cover page, summary, etc.)?

**A3.** They are now available on the website at <http://www.niagarawib.com/RFPs.asp>
